BP Opens new Petrol Retail station to serve Toll Road Users

JAKARTA, August 14' 2019 - BP-AKR JV Company, PT. Aneka Petroindo Raya (APR), today opened Petrol station on Jakarta Bandung Toll road to participate in the large opportunity for high quality fuel on toll roads.

PT AKR Corporindo Tbk (IDX ticker code: AKRA.IJ) today announced that its joint venture with BP, expanded the fuel distribution by officially opening BP AKR petrol station in the Rest Area of Cipularang toll road connecting Jakarta and Bandung at KM72 A. With this inauguration the network BP AKR petrol station has grown to 10.

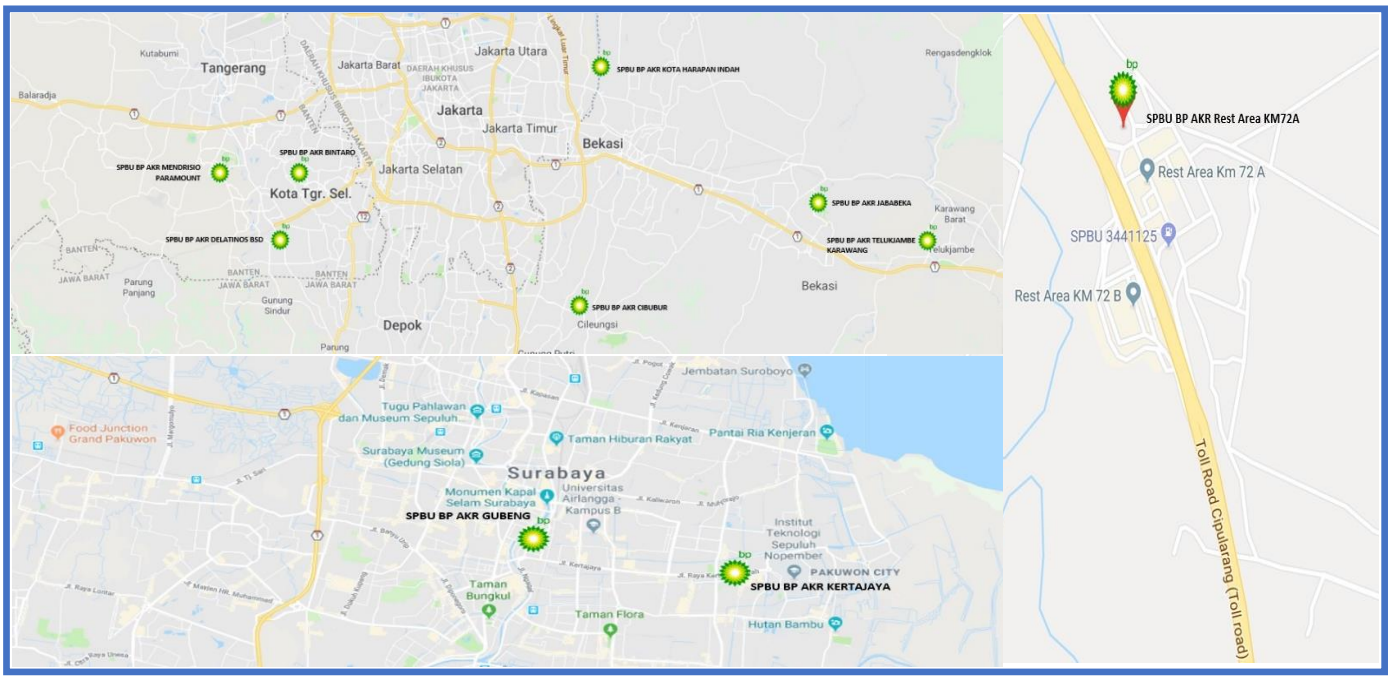
President Director of PT Aneka Petroindo Raya, Peter Molloy said, "Today we are happy to inaugurate the BP AKR petrol station, located in Rest Area of the toll road with high traffic volume between the major cities in Java. We see a sizeable demand and opportunity for petrol stations with the expansion of Toll Roads in Indonesia; BP AKR expects to provide quality fuel and excellent service to its users. " he said.

Rest areas in Indonesia are being built on the main arterial roads between cities and provinces. These facilities are urgently needed by toll road users as a place for take a break and also to visit eateries and shops; Significant increase in visitors to rest areas especially on national holidays and weekends is recorded in recent days;

Located near the entrance of Rest Area in Cipularang KM72 A Toll, BP AKR expects to be easily reached and meet the fuel need of travellers and tourists with its fuel and non-fuel offers

The BP-AKR Petrol Station located in Rest Area of Toll Road Cipularang KM72 A

BP AKR petrol stations offer 3 grades of gasoline in its retail outlets – BP90, BP92 and BP95, each containing BP's special ACTIVE technology formula and BP Diesel; With ongoing use, BP gasoline with ACTIVE technology helps protect car and motorcycle engines against the build-up of dirt that can adversely affect engine performance. BP AKR monitor quality from the moment fuel arrives at the terminal to guarantee that quality is maintained until the time gas tank is filled at service stations. BP Branded Service stations offer a competitive price according to the quality of our fuels and aligned to prices that are competitive in the areas where BP AKR operate.



10 Spots of BP AKR Petrol Stations in Indonesia

Earlier BP AKR has opened 7 petrol stations; in De Latinos-Serpong, Jababeka - Cikarang, Cibubur - East Jakarta, Bintaro -Tangerang Selatan, Mendrisio Paramount - Gading Serpong, Telukjambe – Karawang, and Kota Harapan Indah - Bekasi. BP has expanded its stations in Surabaya; Gubeng and Kertajaya.

Within a short span of two years since the signing of JV Agreement on April 5, 2017, BP AKR has established itself as a player in Indonesia. BP and AKR intend to develop and offer a differentiated experience to consumers by leveraging the proven capabilities and expertise of BP and AKR in the fuel retail market in Indonesia.
